LOOK BEFORE YOU LEAP is an adrenaline-rush journey of drama and comedy that creatively informs and inspires students to pursue healthy relationships. This 37 minute presentation, featuring national speaker Justin Lookadoo, delivers a must-be-heard message in a can't-look-away manner that captivates, educates and motivates young people to avoid destructive choices and say "YES!" to their dreams and goals. The show employs a creative "sex is like sky diving" analogy to powerfully illustrate important truths about the dangers of teen sexual activity.
